## KEY

	testing at this grade is required.		<a href="#">CogAT</a> is an assessment used as part of the Advanced Learner Identification process in MPS.
	testing at this grade is at the school's discretion, except when required by School Improvement Plan, specific grant, or program evaluation.		testing is required for any student who has been identified as an English Language Learner.

• Computer Delivered Format for majority. Alternate ACCESS (grades 1-12), Kindergarten and students with accommodations may be able to test on paper.

\* High School MCA Science will be administered to all students completing Life Science credit (grades 9-12).

\*\* For grades 9-12, the Science MTAS should be administered when the life science standard is met. The IEP team determines the most appropriate year for a high school student to take the Science MTAS.

Assessment Name	Description & Purpose	Format	Rationale	Source of Requirement	More Information
ACCESS for ELLs/Alternate ACCESS for ELLs	ACCESS for ELLs test items are written from the model performance indicators of WIDA's five English Language Proficiency (ELP) standards: Social & Instructional Language, Language of Language Arts, Mathematics, Science and Social Studies and test forms are divided into five grade level clusters (testing grades 1-12).	Online. Paper-based per IEP/504 accommodations only. ## Statewide Testing Results

For spring ACCESS/Alternate ACCESS and MCA/MTAS testing, scores are embargoed until August every year. Individual Student Reports (ISR) are uploaded to the student and parent portal in early October. Please visit the [Parent Portal site](#) for video instructions on creating an account.

If you are interested in District level results, please visit the MN Department of Education's [MN Report Card](#) for detailed information.
