

Family Engagement Days!

At our Family Engagement Days you will...

- ...pick up gym (grades k-5) and science kits (grades 3-5)
- ...get your food boxes for the week
- ...pick up extra materials as provided by your homeroom teacher
- ...fill out the educational benefits form

This will be a “walk through” event. Wear your mask! We will have a one way path to help us maintain social distance as you meet with staff members and receive materials.

Families can come either...

**Tuesday,
