

ONLY TITLE I SCHOOLS NEED TO WRITE A FEP in 2022-2023

Schools must create or update their Family Engagement Plan (FEP) by October 1 each year. Starting in Fall of 2021, you'll be able to create your FEP by filling in the boxes below. Then, you can then print a PDF of your FEP which you can post on your website and share with your families (delete this row before sharing with families).

Part of the federal and state requirements for Title funding include making sure that the FEP is developed in partnership with families. Resources to help in the creation of your FEP is available on the Title I Compliance Resources website. <https://sites.google.com/mpls.k12.mn.us/mps-title-i-compliance/quarter-1/fep>

Introduction to the Family Engagement Plan	We need the help of our families to reach our school goals for student success and achievement. Below is our plan for how we'll meaningfully engage families in equitable and accessible ways during the 2022-23 school year. There are specific goals we'll work to achieve and ways we plan to achieve each goal listed below

Mission & Vision	
School Mission Statement	Our mission is to create a safe, challenging, and nurturing learning environment where all students grow to be college, career, and life ready.
School Vision Statement	Jenny Lind is a school of academic excellence for each and every student.

Family & Community Voice and Engagement	
How family & community voices are gathered at our school	This year we will participate in the PPE and YPE programs to gather family, community and student voice at Jenny Lind.
The primary challenges/areas of need identified by families and community members at our school	The start time is too early which effects climate and attendance. We also need to work on safer arrival and dismissal procedures and continue to work on student climate.
The primary hopes and aspirations identified by families & community members at our school	That the district will hear them and offer Lind a later start time. That Site Council will work with admin to create a stronger volunteer network and thus a safer arrival and dismissal plan.
