

# Jenny Lind Elementary: School Improvement

*Jenny Lind staff, students and families spent the fall of 2022 examining into our data. As a collective community we determined where we need to focus our efforts and wrote academic goals. In order to meet this goal we will focus on improving short term instruction and differentiation of instruction to meet the many needs that all students have and are magnified due to pandemic learning.*

Literacy Goal: By Spring of 2022, every grad level will increase their exceeding and low risk students by 10% according to A Reading exams.

Math Goal: By Spring of 2022, every grad level will increase their exceeding and low risk students by 10% according to A Math exams

Progress: Math proficiency in December of 2022 grew 2%. Literacy proficiency decreased by 2% December
